

FRCC ROBINA CAMPUS ANNOUNCEMENT APRIL 2025 (WK 2)

Our Announcement Begins with Our Confessional for God's Peace, Protection and Provision. It is based on 2 Thes 3:16 in conjunction with other scriptures. So, Please Say After Me: The Lord of Peace Himself Shall Give Me Peace Always by All Means. Therefore, I Am Peaceful, Protected and Provided. For My God Shall Restore, I Shall Renew, And We Shall Revive. In Jesus name, Amen!

(1) Our Announcement-Emphasis Today is Easter United Coming Sunday. So Please Listen

Carefully: We will have our usual morning service right here. Then, in the evening, we come together with other Churches at the Broadwater Park, Southport, for Easter United. Let's all pray that this event will lead to greater unity indeed (John 17:21; Jesus prayed that we all may be one in spirit). It's a unity that births city-wide revivals. That's why we at FRCC, by our very name and divine calling, Faith Revival, have not missed one easter united since inception. So, it's not about FRCC as a Church but YOU as a member. Each one of us need to wake up and do better for Jesus' prayer that we be one, working together with other Churches for the Kingdom's sake. "Thy kingdom come...thy will be done on earth". Amen!

How Do We Get Involved? (i) Please PRAY regularly towards this event (ii) It's Easter holiday. **Let's give back to the Lord His Resurrection Day by spending time with the Lord and His people**

[announcer to repeat statement pls]. HOW? Attend Easter morning service (all serious Bible-believing Christians do) and then have the evening at Easter United (Not too much is it? It's the Lord's day!). **Question: How About Easter Lunch with Family or Friends?** Good question. As the saying goes, you can kill two birds with a stone (That's true). If you normally eat out on Easter day, great: catchup with family or friends over there at any Broadbeach restaurant or surrounding suburbs. In that way, you are in the vicinity. Then after that lunchtime, cross over for Easter United. Otherwise, plan a dinner time with some of those family or friends at the Easter United venue. Food & drinks are abundantly on sale at the venue or BYO: bring your own to the venue if you normally cook easter dinner. How are those options with you? So, really, no excuses if you want to give the Lord's resurrection day back to the Lord. **How Do I Get More Engaged?** Another good question. There is a call out for volunteers to serve in different roles during the event. Let's jump in. It is a great opportunity to serve the Body of Christ: ushers and greeters, security team, praise and worship and mass choir, etc. Please go online to Gold Coast Churches Easter United website and register. The video clip can be played after the notices please.

(2) Sunday Services: Starts 9.30am – 11.00am; followed by coffee/brunch time. All welcome. At our Labrador campus, Service is at 10am.

(3) Keeping Abreast with Weekly Announcements: If you miss any part of the announcement or to stay up to date, please visit the Church website: faithrevival.org.au.

(4) A Giving Time is Part of Our Regular Worship: Giving envelopes are freely provided on the information desk for your cash, cheque, or Eftpos receipt. The swipe is available at the rear. After the Giving prayer and blessing, the envelopes will be received in the offering bag.

(5) If anyone would need specific prayers or ministry at the end of this Service, walk up to the front and be ministered to while others move to the brunch table at the rear. To conclude this session, please say with me prayerfully: I Shall Be Full of the Word and Spirit: Watchful and Wordful, Prayerful and Powerful, in Jesus' Name. Amen.
